PME1 – Spring Trimester Assignment

Deadline: 29th April 2024

Module Code: EDUC43640

Lecturer name: Marelle Rice

Assignment Task Overview/ Question
Devise and produce a Resource Pack for use in Civic, Social and Political Education (CSPE) as a learning and teaching tool to support your CSPE teaching colleagues.

Details:
Over the course of the lectures we will explore and share resources that support active and engaging learning within Strand 2 and 1, with tentative explorations of Strand 3.

Success Criteria:
There are **two** parts to this Assignment: 1) *The Resource Pack* and 2) *The Rationale*, as follows:

1) The Resource Pack

A. Select at least **30 resources to support active and engaging learning (10 per Strand)** in the CSPE classroom

Focus on <u>a range of resources</u>, which should include the following:

- Still images
- Video snippets
- Interactive Data sites
- Audio clips
- Infographics
- Acknowledge all resources by providing their actual url addresses.

In terms of format for your Resource Pack, consider the following:

- Powerpoint/Google slides
- Google site/Weebly
- Padlet
- Or alternative platform to showcase your pack

B. Identify the Learning Outcome(s) from the CSPE Short Course Specification that each resource could support.

C. Identify links to the 3 pillars of sustainability, social (people), economic (profit), and environmental (place) for each resource as appropriate.

D. Identify relevant SDGs the resource relates to.

E. Select 12 of the resources and in concise bullet points outline a learning activity/methodology that you could undertake with this resource. When selecting your 12 resources, ensure that you support learning across the strands (4 learning activities/methodologies per strand).

2) The Rationale (in 800 words maximum):

A. Title of Resource Pack, Student Name and Student Number

B. School Context

C. earner Profile (Year Group, Class, Ability, etc.)

D. Explore the 12 methodologies you have selected and discuss the following:

- How will you use/have used this with a specific group of CSPE students?

- Why have you chosen this methodology?

E. Reflection

- What have you learned from making and/or using these resources with students?

- What modifications would you make to these any of your 12 learning activities? Why?

F. Bibliography

Submission Deadline:
29th April 2024.
